In line with the 2011-2015 Corporate Strategy to maximize collection capability, The Employees Trust Fund (TAP), through its Enforcement Department have been working together with government agencies on enforcement activities.

- ✓ To improve the effectiveness of enforcement action
- ✓ To increase recovery of contributions
- ✓ To promote teamwork and close relationship amongst agencies
- ✓ To exchange ideas and information/ knowledge sharing

- ✓ Time – Other government agencies are also occupied with their own duties and responsibilities
- ✓ Resources – Limited personnel in their own department to cater to our needs
- ✓ Technology – Each agency has their own system operating on its own. No collaboration between agencies.

# JOINT OPERATION

- Joint operation with other government enforcement agencies eg. Royal Brunei Police Force, Labour Department, Immigrations Department, District Office, Municipal Department, etc
- Conducted at least twice a year

Menjana Masyarakat Berhemat

- ✓ Workshop on Investigation & Prosecution
- ✓ Conducted by Criminal Justice Division, Attorney General Chambers

**ATTORNEY GENERAL'S CHAMBERS**  
**BRUNEI DARUSSALAM**

# SUPPORT ACTIVITY

- ✓ Control & Restraint Technique conducted by Prison Department
- ✓ Basic skills for self defense and strengthen enforcement officers physically & mentally

- ✓ Reduce the number of new delinquent cases which means that more time can be focussed on priority cases
- ✓ Closer relationship between agencies
- ✓ Acquired new techniques of investigation and prosecution
- ✓ Greater confidence instilled into Enforcement Department as a whole

- ✓ To continuously strengthen the strategic alliance with government agencies through Memorandum of Understanding (MOU)
- ✓ To come up with new and creative ways to attract more government agencies to participate in our efforts to improve enforcement actions.
